# **EQUALIZER**

# **CBS**

The logo features the word "EQUALIZER" in large, bold, blue letters above the CBS eye logo. The CBS eye logo consists of a circular frame with "CBS" written in red at the top and bottom, and "1938" on the left and right sides. Inside the circle are four arrows pointing outwards: a black arrow pointing upwards from the bottom center, a red arrow pointing downwards from the top center, a red arrow pointing to the left from the right side, and a black arrow pointing to the right from the left side.

Efficiency of braking depends on the riding conditions and the speed of vehicle

Efficiency of braking depends on the riding conditions and the speed of vehicle  
Application of Combi Brake System on Honda Scooters is by engaging the left lever and on  
Honda Motorcycles upon engaging the foot pedal
